Covid-19 Response

In light of the ongoing Covid-19 situation, if you wish to visit our offices, please arrange this in advance in order to be met by our Administrator at the entrance of [Red Gables](#). Please ring or email the office to make an appointment.

We are conforming with the Local Authority and Government regulations as is the management team on the Red Gables site.

Hand sanitizer is available to use within the whole building as well as in the office of EATMT and visitors are free to wear a face mask if you feel more comfortable doing so. If you require a member of staff to also wear a mask whilst you are visiting, please make this request when booking your appointment to visit.

Regarding events moving forwards, we will be following the venues' specific regulations for our forthcoming events and ask that you make yourself familiar with these for each event we are putting on.

Essentially, businesses are moving forwards with very little specific guidance and so guidelines differ from one business to the next. This needs to be received by everyone with tolerance and kindness and we ask that if you wish to attend any event, that you follow the guidelines with respect.

Please postpone any visits if you are showing any symptoms of Covid-19 until you are symptom free and if you become ill following a visit to our offices, please let us know so that we can test.

Alex Bartholomew, Administrator
